Match Reports

PL20 St Pats 8 def. Polonia 1.
Goals: Anyanya 3, Tong, Jacob W, Chol Majack, Stephen, Jessie.

The pressure was on from the whistle with the lads launching several attacks before Anyanya got our first into the back of the net. Our backline cleared the ball strongly to Tong, who ran through the defense to make it 2-0. Ian and Julian M were banging the ball forward for Jacob W to open his account for the season, with a cracking shot...3-0. Chol Majack made a fine run and goaled 4-0. Stephen, having an excellent start to the year, headed off for a long run, culminating in his first goal for 2019....5-0.

Possession was now overwhelmingly in our favor and Polonia were finding it hard to get into the open. Wherever you looked St Pats were hassling and putting pressure on the opposition.

Anyanya banged in another one 6-0 and then Tong and Anyanya did some more soft-shoe shuffling to make it 7-0. To round off a productive afternoon, Jessie hit a beautiful free kick to score his first8.0

We surrendered a late goal which wouldn't have pleased the boys in the backline one little bit 8-1. We were close to the end and I was thinking "Wow.....the match is nearly over and Shaun hasn't turned on one of his classical saves". Never tempt fate folks. Polonia were awarded a penalty right at the end and...you can guess what happened can't you? Yep, the penalty was hit beautifully only to see Shaun get both hands to the ball, and push it wide of goals. I just KNEW he was going to do that..

U13/2 Bangel 06-04-2019 Match Report

St Pat's 6 defeated Riverstone 1

Goals-Christopher Moon 2, Jerell Manalac 2, Marko Anic 1, Christian Bangel 1

A warm and humid afternoon to kick off our 2019 campaign. Strong defensive efforts from Christos Antoniou, Ryan Manadhar, Giselle Tullelufuga and Hayden Herder-Beke laid a firm foundation for our talented midfield to create opportunities on goal. Fresh back from having his appendix out Jordan Armas effort was exceptional getting to the ball first before his opposition number.

The dynamic duo of Christian Bangel and Christopher Moon assisted from Jack Adamcewicz set up our offensive attack magically with some well timed passes through to Marko and Jerell up front. Ahmad Al-baw and Sarah Mcdonald contributed with good positional play and positive team moral. Our intelligent passing and unselfish play was the difference between the two teams in extremely warm conditions.

A special mention to Christos our middle back who was tireless on the defensive end and created countless opportunities for our midfield with some exceptional ball work leading to attacking chances. He was the games MVP for his effort and commitment during the game.

MVP Points

Christos Antoniou 3

Christian Bangel 1

Christopher Moon 1

Giselle Tullelufuga 1

Congratulations on a great start to your season and take care.

Match Reports continued

Under 9/2 match report

A very solid start to our season with a 2-2 draw against Kings Langley. We were certainly a little rusty in the first half where we struggled with such a large field and the fact that we had only trained once as a team.

The second half saw all the boys begin to work as a team, passing the ball to gain the advantage over our opponents. We definitely finished the better team as Kings Langley were forced back further and further toward their own goal.

Both Tully and Rayyan had stints in goals and performed their duties well. Jesse and Joel formed an awesome combination at the back in the second half with speed and precision, giving the counter attacking Kings Langley boys very little opportunity to shoot.

Our midfield held up courageously as Braxton, Xavier, Carter, Seb and Noah all continued to work hard despite being 'out on their feet' while Christopher was dynamic down the left side. Our supporters went away feeling proud of the boys efforts and confident there is plenty of room for improvement in the following weeks.
