Match Reports

PL 20 St Pats 2 def Blacktown Workers 1.
Goals: Justin, Jacob W.

We just had to buckle-up and outlast our opposition this afternoon, starting with just 10 players at kick-off and, sadly continuing our bad habit of giving away free kicks, especially in the second half. We kicked an early goal but were ruled offside, only to watch Workers re-bounce in seconds and score to make it 0-1. Ouch!!! Our tough backline stood firm though, led by Shaun, Julian, Denver, Justin and Jonathan while our forwards continued to press with a series of shots.

Finally, Alex, Jono and Chol got things moving to get the ball to Justin who pumped it in for a 1-1 scoreline at half time. But there was more bad news with Jessie going down twice, leaving him to spend the second half in the first aid room nursing a nasty knee injury with ice packs. We're hoping there's no serious damage there. Jacob W came close to scoring, Stephen was now in full stride running hard down the sideline, Anyanya and Tong were creating chances getting the ball over to Jacob W who scored brilliantly from an angle. 2-1.

Jacob W almost scored again and Tong just missed with the keeper getting in the road. The team, hit hard with illness and injury, simply refused to lose-----in a display full of good old fashioned guts and determination.

U13/2 Bangel 06/07/2019 Match Report

St Pat's Red 1, St Pat's White 8
Goal-Jerell Manalac

Congratulations to St Pat's White for a great performance. Using their fast players up front kept our hard working midfield from their offensive style of Soccer and created many goals up front. We went to the break 5-0 down for the first time but it was our positive attitudes and our continued effort that I was extremely proud of.

Jerell scored a great goal which was a reward for his efforts to the ball. St Pat's White continued their wonderful passing and as a result scored 3 more goals. It's a shame that there are two St Pat's teams in the same competition as I strongly believe our club could have challenged for two titles in different divisions. We will continue to be brave.

MVP Points

Christian Bangel 3
Jerell Manalac 3

Congratulations to Prem and his team and best wishes for the rest of the competition. Thank you to all my brave players and their efforts yesterday. You never gave up and you are respectful always to officials, parents and opposition.

Take care
